

TREATMENT BROCHUR

Consultation

Consultation with Advanced Facialis

30 Minutes | £30

A private consultation is carried out in clinic by our facialist who will analyse the variables that are responsible for your current skin health. Once this skin analysis is complete you will be provided with a detailed treatment plan to resolve your skin concerns going forward.

Consultation with Dermatologis

30 Minutes | £80

A private consultation is carried out in clinic by our facialist, who will analyse and document the skin concerns and submit them to Dr John Ashworth. Within 48 hrs Dr Ashworth will then provide informed advice and where necessary a treatment plan.

Bespoke Facial Treatments

The Classic Facial 1 Hour | £6!

Our Classic Facial is a bespoke treatment tailored to your skin type and concerns that uses a wide array of specialist.

Course of Three Treatments 10% Of

The Signature Facial

11---- 70 Minutes | COF

Our Signature Facial is the next step up from "The Classic" and allows for more time. This extra time enables greater use of the specialist equipment and skincare which will in turn provide more effective results.

Course of Three Treatments 10% Of

Based on your treatment plan the bespoke facial treatment will include

Exfoliation Hydration Techniques Dermaplaning

Massage Dermalux LED Microcurrent

Extraction Medical Masks High Frequency

Alumier MD Chemical Pee

Alumer MD Chemical peels cause intentional and measured trauma to the epidermis and/or the dermis, with the goal o stimulating new tissue to improve the skin texture and tone. This in turn will also improve the appearance of pores, fine lines, wrinkles, pigmentation, acne, and rosacea.
